comfort for life

## FACT

## BENEFIT

*Plush Pillow Top*

Luxurious moisture dispensing BLUE BEAD Hyper Soft polyurethane layers offer a comfortable yet supportive plush pillow top layer.

*Coils that mould to the contours of your body.*

The Evolution Pocket Spring system's unique design allows each individual pocket coil to expand or compress around the shape of your body, creating a soft and comfortable "mould"

*Heat-tempered coils for extra durability.*

The sturdy Heat-tempered Coils are toughened to expand the life-span of the mattress and absorb motion, ensuring minimal to zero motion transfer to your sleeping partner.

*No sagging edges - Perimeter edge support.*

The border surrounding this mattress is made from a tough steel wire that ensure the mattress does not sag at the edges, reducing the body's tendency to roll.

*No turn quality mattress.*

Firm, reconstituted foam, high density foam and fibre make up the sleep surface area and provide a luxurious feel.

*Allergy Free*

This mattress is 100% odour free and contains zero chemicals that cause regular human allergies such as; sneezing or clogged up sinuses.

*Hygienic & Non Toxic*

All foams used in the manufacturing process are produced in-house at Strandfoam Group and is completely stable, non-toxic and Hygienic.
